## FAQ's

### How do I Order?

- We take orders via email or private message on our social media platforms, this allows us to maintain a bespoke service for every customer.

### Which flavours are available and when?

- We work with the seasons so often have specific flavours (often new and exciting ones) for you to try in addition to those outlined on the menu.

### How long do these last?

- All our products have unique dates, please discuss this with us.

We hope you've enjoyed browsing our menu.
